

CPE credits offered at Atlassian Team Tour: Government Symposium

Connect, share, and learn how to take your team’s agility to the next level at Atlassian Government Symposium. Hear from agency experts using agile capabilities to transform their agencies and earn CPE credits at the same time*. Choose from four groups of CPE sessions with learning objectives designed to meet your agency’s knowledge requirements or take a deep dive with one of three training sessions detailed below.

CPE classes

Level up your skills and maintain certifications by earning CPE credits during the Atlassian Team Tour: Government Symposium. Choose from one of four groups and attend all included sessions within the group to earn CPE credits or take a deep dive with one or more of the three training sessions held the afternoon of day three. The sessions are free of charge to those registered for Government Symposium. Attendees can sign up for sessions within four separate groups or the individual training sessions:

- Group A 1.0 CPE Credits
- Group B 1.2 CPE Credits
- Group C 1.2 CPE Credits
- Group D 1.4 CPE Credits
- Training 1 1.2 CPE Credits – Confluence Essentials
- Training 2 1.2 CPE Credits – Automation and Jira: A Perfect Match
- Training 3 1.2 CPE Credits – Making Jira Roadmaps Work for You: Tips, Tricks, and Use Cases

**NOTE: Attendees must attend the sessions during the scheduled times on the agenda. On-Demand sessions are not available for CPE credits.*

The following table outlines Atlassian Government Symposium CPE groups and training sessions:

Track	Class Name	Description	Learning Objectives
GROUP A	The secret to making agency-wide DevSecOps a reality	<p><i>Speakers: Rich Schliep, Chief Technology Officer, Colorado Department of State Eric Piatt, Consultant, ReleaseTEAM Shayla Sander, Channel Manager, U.S. State and Local Government, Atlassian</i></p> <p><i>As more government teams turn to the DevSecOps methodology to move faster and scale, agency culture, and legacy workflows must also evolve. See how the Colorado Dept. of State successfully built an agile culture, broke through traditional obstacles, and transformed how work gets done.</i></p>	<ol style="list-style-type: none"> 1.
